Staff Report

Overview E

Budget:

- The Board's fund reserve remains stable; however, future revenues may not increase at the same rate as departmental service costs. Staff will continue to monitor and to advise the Board.

SB 541 – Expert Consultants

- SB 541 streamlines the process for boards under the Department of Consumer Affairs to contract with subject matter experts to review disciplinary cases, testify at administrative hearings or assist in examination development. The bill is an urgency measure and will take effect immediately upon being signed by the Governor and chaptered by the Secretary of State. It has passed both houses of the Legislature without any "no" votes, and was enrolled for the Governor's signature on September 8. The Board submitted a letter of endorsement to Governor Brown on September 8.

SB 1441 – Uniform Standards Regarding Substance-Abusing Healing Arts Licensees

- The Medical Board has updated its Manual of Disciplinary Guidelines to incorporate components of the DCA Uniform Standards. BPM staff is proposing conforming amendments to its guidelines to maintain consistency (see tab N), and is closely monitoring MBC's progress on its regulatory rulemaking proposal that incorporates these amendments by reference.

Enforcement Data Tracking & Reimbursement Accounting

- With an increase in the number and complexity of financial reports requested by various DCA programs, staff has developed an enforcement accounting database and billing system that allows for point-in-time calculations of cost recovery payments and balances. This new system has streamlined the Board's data reporting and billing processes, and provides a readily verifiable basis for all enforcement receivables.

LICENSING

New Licensing Coordinator

I am pleased to announce that I Christine Raymond now hold the position of Licensing Coordinator for the Board of Podiatric Medicine. My state career began at the Contractors State License Board in 2007 where I first worked in the Exam Unit and later transferred to the Criminal Background Unit as Troubleshooter. Now as I begin my journey with the Podiatric Board I am thankful for all the hard work and determination that went into my previous positions at CSLB. I am confident that I will bring constructive and innovative ideas to the Licensing position and await the new challenges it brings. Thank you to all BPM staff and Board Members who have made me feel so welcome since I arrived in May. I look forward to meeting with the Board Members at our future meeting to be held next year in Sacramento.

National Part III Exam

What was previously known as NBPME Parts I, II and III will now be designated as the American Podiatric Medical Licensing Examination (APMLE) Parts I, II and III. The NBPME will still remain as the parent organization that owns and is responsible for scoring of each test series and its production.

The results of the APMLE Part III exam held June 1st, revealed an 89% pass rate for California examinees. This pass rate is calculated at California's passing score of one standard measurement of error above the National APMLE passing score, pursuant to B&P code section 2493 (b), which is proposed for Sunsetting in the staff draft of the BPM Sunset Report. The next part III exam is scheduled for December 7, 2011.

Continuing Competence and CME Audit

Staff is currently in the process of conducting an annual audit for licensee Continuing Competence and CME requirements. The randomly selected 20 licensees (one percent) have a scheduled renewal date of December 31, 2011 and must submit documentation by December 1, 2011.

ENFORCEMENT

- **Learning the Ropes**

- ❖ The transition from Licensing Coordinator to Enforcement Coordinator is going well. It's been an extremely busy few months with training the new Licensing Coordinator, putting on the Consultant Training, working on the Sunset and Annual reports and most recently taking over the Probation Monitoring Duties previously handled by our Retired Annuitant Christina Holley while learning the many facets of Enforcement and getting up to speed on current cases. However, I am enjoying the new position and find it interesting and engaging but looking forward to the future and a slightly slower change of pace. ☺

ADMINISTRATION

• **Something New: BPM Online Update**

- ❖ Staff is currently in the process of putting together a News update for our web site. This will be available via online only. This will be informational and eye-catching and it will not duplicate what we already have available on our web site. If you have any information that would like to contribute, please let me know. Also, be sure to direct people to our site.

• **Personnel Changes: Hello's and Goodbye's**

- ❖ The staff at the Board of Podiatric Medicine would like to Welcome Edward "Eddie" Barnes as a new Board Member.
- ❖ Two of our Retired Annuitants (RA's) have decided to actually retire and move on to bigger and better things and we wish the best to Christina Holley, our Probations Coordinator, and Dennis Rodriguez, one of our field Probation Monitors.
- ❖ A few other changes that have taken place since our last Board Meeting:
 - Ⓜ Michelle Mason has accepted a new position with the Speech-Language Pathology & Audiology Board. She will be greatly missed.
 - Ⓜ Congrats to Bethany DeAngelis, who is our new Enforcement Coordinator taking over Michelle Mason's duties.
 - Ⓜ Welcome Christine Vierra Raymond, who is our new Licensing Coordinator taking over Bethany DeAngelis' duties.
 - Ⓜ With time and changes comes term ending for two of our Board Members, Raymond Cheng and Aleida Gerena-Rios. Thank you for your time and hard work.

ANNUAL AGREEMENT

PROVIDING PODIATRIC MEDICAL CONSULTANT SERVICES TO THE BOARD OF PODIATRIC MEDICINE

I agree to provide podiatric medical consulting services to the Board of Podiatric Medicine pursuant to the general direction and supervision of the executive officer and/or his designee(s), e.g., the board's enforcement coordinator. I will assist in investigating and evaluating the complaints of professional misconduct against licensees, interpreting the medical significance of information and evidence. Specific tasks will include:

- Review complaints on Doctors of Podiatric Medicine (DPM) to evaluate the need for additional information or referral for formal investigation.
- Review medical records and other documents obtained by the board's consumer services analyst (CSA) to evaluate the medical care provided the patient.
- Assist investigators and Deputy Attorneys General in evaluating completed investigations to ensure quality and completeness.
- Assist the CSA in answering complaints from consumers, peer organizations and other sources regarding medically related matters.
- Personally obtain information and evidence that requires the immediate knowledge of podiatric medicine to secure.
- Assist in monitoring probationers as requested.
- Conduct educational/physician interviews with licensees as necessary.
- Assist in the training of expert reviewers and witnesses.
- Serve as a witness at hearing, as necessary.
- Other duties as requested.

The executive officer and/or his designee(s) will assign cases.

Payment for services rendered shall be at the rate of \$75.00 per hour to be paid in arrears following submission of a Statement of Services subject to the approval of the Executive Officer (see attached). Expenses (postage, telephone, etc.) shall be reimbursed. Travel expenses shall be reimbursed at the rates established for non-represented state employees.

Either party may terminate this contract by the giving of thirty (30) days written notice of termination to the other party. In the event this contract is terminated, consultant agrees to return to the State any and all materials related to this contract, and consultant shall be paid for services rendered and expenses incurred up to the date of termination. Consultant also agrees to return to the State, immediately upon request of the Executive Officer and/or his designee(s), any and all materials related to this contract (files, correspondence, uncompleted or completed reports, notes, records, etc.) at any time during the term of the contract.

Consultant agrees to hold all confidential matters confidential.

Consultant agrees to abide by the board's conflict of interest policy (attached).

Consultant agrees to attend training, as necessary, and review the current and all updates of the BPM Enforcement Manual.

Pursuant to item 3 of the BPM Consultant Policy (attached), I certify that I have received and read the current BPM Enforcement Manual (Podiatric Medical Consultant Training Manual):

Date

Consultant's Printed Name

Consultant's Signature

Date

Executive Officer

POLICY DECISION: Minimum Requirements for New Medical Consultants, Experts, and Examiners

1. Hold a current, valid and unrestricted California license to practice podiatric medicine.
2. Be active in the practice of podiatric medicine in the subject area being reviewed.
3. Have completed a postgraduate medical education program approved by the Council on Podiatric Medical Education.
4. Be certified by the American Board of Podiatric Surgery and must maintain a current certificate.
5. Have surgical staff privileges in at least one general acute care hospital facility.
6. Must not have been subject to disciplinary action by the BPM, i.e., the filing of an Accusation or Statement of Issues that was not withdrawn or dismissed.
7. Must not be under BPM investigation for a violation of any laws relating to the practice of medicine at the time of appointment or be the subject of such a case pending in the Attorney General's office.
8. Must not have been the subject of a field investigation by the BPM within the last five (5) years that was not closed and deleted from Medical Board records.
9. In the event of a conflict of interest, must recuse themselves from the review or examination.
10. Must not misrepresent his or her credentials, qualifications, experience or background.

Method of Adoption: Board Vote
Date of Adoption: June 5, 1987
Revision Date(s): December 7, 1990
January 25, 1994
November 6, 1998
May 5, 2000
November 3, 2000
June 6, 2003
October 15, 2010
February 11, 2011

POLICY DECISION: Selection, Training and Evaluation of Board of Podiatric Medicine (BPM) Medical Consultants

1. Potential DPM Medical Consultants shall be reviewed and nominated to the Consultant pool by the Board's Enforcement Committee.
2. New candidates must be approved by unanimous vote of the Board Members present at a noticed public meeting.
3. Following approval by the Board, Consultants shall certify in writing prior to beginning work that they have received and read the current *BPM Enforcement Manual*.
4. Likewise, all consultants shall so certify receipt and reading of each revision to the *BPM Enforcement Manual*.
5. Consultants shall be evaluated at least on an annual basis.
6. Staff shall organize training sessions for consultants every two years as practicable, and each working consultant must have participated in a BPM training session before beginning work and within the past four years at all times.
7. Consultants may serve for eight consecutive years, and have at least a two-year break in service before being eligible for re-nomination by the Enforcement Committee.

Method of Adoption: Board Vote

Date of Adoption: February 11, 2011

PRIVATE PRACTICE

2002-Present – Modesto, CA

- Surgical solo practice.
- Active staff member at two regional medical centers and a local surgical hospital.

2004-Present – Walnut Creek, CA

- Partner, St. Francis Center for Sports Medicine, multi-specialty sports medical group.

FELLOWSHIP TRAINING

2004 – St. Francis Center for Sports Medicine, San Francisco, CA

- Six month sports medicine fellowship managing surgical and non-surgical sports medicine patients.
- Sponsored by American Academy of Podiatric Sports Medicine.

RESIDENCY TRAINING

1999-2002 – Kaiser Medical Foundation Hospital, Hayward, CA

- Comprehensive training in foot and ankle elective and non-elective surgery.
- Extensive clinical management of adult and pediatric populations.
- Primary call for all podiatric consultations serving a 250,000-member population.
- Rearfoot and Reconstruction Residency – 24+ months.
- Chief Resident – 2001-2002.

EDUCATION

1995-1999 – California College of Podiatric Medicine, San Francisco, CA

- Doctor of Podiatric Medicine with Honors.
- Scepter Society Award (peer-selected award for academic achievement and student leadership).
- Student Representative to the Board of Directors, California Podiatric Medical Association, 1996-1998.
- Clinic Coordinator, Podiatric Homeless Health Project, 1995-1998.
- Instructor, Diabetic Foot Education Course, Seton Medical Center, 1996-1998.

1990-1995 – Brigham Young University, Provo, UT

- Bachelor of Science, Biology.
- Missionary for The Church of Jesus Christ of Latter-day Saints, 1991-1993.

CERTIFYING EXAMINATIONS

- State Podiatric Medical License for California, 1999-present.
- Doctor of Podiatric Medicine Ankle Surgery License, 2001-present.
- Board Certified, American Board of Podiatric Surgery, Foot and Reconstructive Rearfoot/Ankle Surgery, 2007-present
- Fellow, American Academy of Podiatric Sports Medicine, 2011

PROFESSIONAL MEMBERSHIPS

- President, Alameda/Contra Costa Podiatric Medical Society, 2010-present
- Member, American Podiatric Medical Association
- Member, California Podiatric Medical Association
- Associate, American College of Foot and Ankle Surgeons
- Associate, American Academy of Podiatric Sports Medicine
