**Pursuant to Business and Professions Code Section 208 (SB – DeSaulnier, Chapter 400, Statutes of 2013, all licensees are assessed \$6 ANNUALLY, which is collected at the time of renewal to cover the operation and maintenance of the Controlled Substance Utilization Review and Evaluation System (CURES). Licensees exempt from the \$900 renewal fee will be assessed \$12 per renewal cycle.*

Although a doctor of podiatric medicine in military status may be exempt from payment of the renewal fee, there is **no** exemption from the continuing competence, continuing medical education or CURES fee requirements. A CC/CME waiver form is required if unable to meet the CC/CME requirements.

If your California DPM license is currently suspended, revoked, or otherwise restricted by the Board, a military license cannot be issued.

Business and Professions Code section 2440

(a) Every licensee is exempt from the payment of the renewal fee while engaged in full-time training or active service in the Army, Navy, Air Force, or Marines, or in the United States Public Health Service.

(b) Every person exempted from the payment of the renewal fee by this section shall not engage in any private practice and shall become liable for payment of such fee for the current renewal period upon his or her discharge from full-time active service and shall have a period of 60 days after becoming liable within which to pay the renewal fee before the delinquency fee is required. Any person who is discharged from active service within 60 days of the end of a renewal period is exempt from the payment of the renewal fee for that period.

(c) The time spent in full-time active service or training shall not be included in the computation of the five-year period for renewal and reinstatement of licensure provided in Sections 2427 and 2428

(d) Nothing in this section shall exempt a person, exempt from renewal fees under this section, from meeting the requirements of Article 10 (commencing with Section 2190).

(Note: Subsection (d) refers to the continuing medical education requirements contained in Article 10 commencing with Section 2190.)

All applicants are reminded that a licensee who receives an exemption from payment of the renewal fee under section 2440 or section 2987.5 cannot engage in any private practice in the State of California. At the time of discharge, you will need to notify the Board in writing and request that your license be restored to "active" status.
